### **NASCLA Announces First NASCLA-Approved Provider**

**PHOENIX, AZ – March 21, 2008.** The National Association of State Contractors Licensing Agencies (NASCLA) National Examination Committee has been working diligently for many years to develop and finalize the *NASCLA National Examination Program for Commercial General Contractors*.

NASCLA is very pleased to announce that Psychological Services Inc. (PSI) has been named the first NASCLA-Approved Provider. The NASCLA Board of Directors granted PSI approval at the NASCLA 2008 Mid Year Meeting on March 12.

PSI is a leader in the assessment industry offering clients various solutions to measure and identify the skills and abilities of individuals who are interested in seeking jobs, licensure or certification credentials. For more information please visit their website [www.psonline.com](http://www.psonline.com).

NASCLA-Approved Provider status means that the testing provider employs qualified and experienced personnel and maintains examination security practices that are consistent with the highest psychometric standards. This status also means that the testing provider is free from conflicts of interest and is financially stable.
