

NASCLA's COMPANION COURSE

A COMPREHENSIVE VISUAL AID

Part 1 - Getting Your Business Off the Ground

Features essential aspects of business development, including business plan writing, entity types, risk mitigation, essential tools, and effective marketing execution.

Part 2- Fundamentals of the Field

Explains bid evaluation, contract essentials, project management skills, customer expectations, employment law, OSHA compliance, and subcontractor relationships.

Part 3 - Office Administration

Covers accounting cycles, financial statement preparation, payroll procedures, and provides insights into federal and state tax basics, along with guidance on necessary filing forms.

Enhance Skills, Ensure Compliance, and Drive Success

WHY EMBRACE NASCLA'S COMPANION COURSE?

NASCLA's revolutionary companion course offers a unique opportunity for Contractor State Regulatory Agencies to boost their workforce's capabilities and excel in the construction industry. The NASCLA Companion Course is designed to complement the **NASCLA Contractors Guide to Business, Law and Project Management**, providing a complete visual learning experience.

“Integrating NASCLA's Companion Course into your regulatory framework is more than just an enhancement—it's a commitment to raising the bar for your state's construction industry. This course equips your contractors with the critical knowledge and skills they need to thrive, ensuring a higher standard of professionalism, compliance, and essential business tools they need in everyday practice.”

Angie Whitaker, CAE, NASCLA Executive Director
